• Linked in- [Anushka_Karwande](#)

3rd-year Electronics and Telecommunications Engineering student with a strong foundation in C, C++, Java, Object-Oriented Programming (OOP), and Data Structures & Algorithms (DSA). Passionate about problem-solving and software development, with a keen interest in applying technical knowledge to real-world projects.

EDUCATION

Bachelor of Engineering (Electronics and Telecommunications) **2022-Present**

D.Y.Patil College of Engineering, Akurdi, Pune, India

- Current CGPA-8.19

Class-XII (Computer Science) **2022**

Shri Shivaji College, Parbhani, Maharashtra, India

- Percentage - 75.17%

Class-X **2020**

Bal Vidya Mandir, Parbhani, Maharashtra, India

- Percentage - 98.20%

TECHNICAL SKILLS

- **Languages/Technologies** : C | Core Java | C++ | HTML | CSS
- Object Oriented Programming | DSA | Computer Networks | DBMS | MySQL | Embedded C
- **Developer tools**- Matlab | MPLAB | Keil uVision | VS code

WORK EXPERIENCE

Web Development Intern | R. R. Infravision **Jan – Feb 2025**

- Completed a 1-month web development internship, working with C and Java to develop web-based solutions.
- Gained hands-on experience in coding, debugging, and optimizing web applications. Demonstrated strong problem-solving skills and a dedicated work ethic.

Android Developer Virtual Internship | EduSkills **Oct – Dec 2024**

- Successfully completed a 10-week Android Developer Virtual Internship under the India Edu Program, supported by Google for Developers.
- Developed Android applications using Java and Kotlin, focusing on functionality, performance, and scalability

PROJECTS

Automatic Street Light

- Developed an automatic street lighting system using sensors to detect ambient light levels and motion.
- Designed and tested the system to ensure reliability and safety, contributing to sustainable urban infrastructure solutions.

CERTIFICATIONS

- C Programming
